

DESIGNING INTELLIGENCE SYMPOSIUM OUTLINE

Event Date	Session 1: Friday 19 June 10am - 1pm BST Session 2: Friday 19 June 3pm - 5pm BST Session 3: Wednesday 24 June 3pm - 4pm BST
Venue	This Event will be conducted via Zoom Webinar and will be recorded.

WELCOME & INTRODUCTIONS

10:00 - 10:05	Introduction to Symposium	Dr Cyriel Diels (RCA)
10:05 - 10:15	Introduction to Keynote Talk	Prof Dale Harrow (RCA)

SESSION 1: TALKS, CHALLENGES & QUESTIONS

10:15 - 10:20	Introduction to talks & Panel	Dr Jingru (Cyan) Cheng (RCA)
10:20 - 10:30	Using our collective intelligence and creative design to turn neighbourhood solidarity during the pandemic into a force for recovery and change.	Noel Hatch (Camden Council)
10:30 - 10:40	Planning and design for future mobility in new developments	Erica Belcher (Centre for London)
10:40 - 10:50	How might London's streets and transport feel and behave differently if we embedded the global sustainability goals into Transport for London's DNA?	Andy Martin (Transport for London)
10:50 - 11:00	SPEAKER QUESTIONS & CONVERSATIONS - led by Dr Jingru (Cyan) Cheng	
11:05 - 11:15	Keynote talk <i>Shared Mobility: Concepts and the Impact on Cities and Individual Travellers</i> INC Introduction to Talks and panel	Dr Jiayu Wu (RCA)
11:15 - 11:25	Civic transit? Can moving around a city be an act of civic engagement?	Rob Naybour (Weston Williamson)
11:25 - 11:35	Shared transport can transform our cities, helping to mitigate climate change, improve air quality and create quality of place. But why are mobility hubs hard to deliver and how might design help to overcome resistance to change?	Richard Dilks (CoMoUK) and Marian Marsh (CoMoUK)
11:35 - 11:45	The 'SUN' (Shared Utility Network) poly-centric study, sits at the intersection of three great crises: An environmental emergency, a period of profound technological upheaval, and finally, a time of political polarisation and disquiet that reflects upon deepening inequalities.	Stephen Barrett (Rogers Stirk Harbour & Partners)
11:45 - 11:55	SPEAKER QUESTIONS & CONVERSATIONS - led by Dr Jiayu Wu	

12:00 - 12:05	Introduction to Talk and Panel	Dan Phillips (RCA)
12:05 - 12:15	Community values are building blocks of Intelligent Cities	Dr Timea Nochta (University of Cambridge)
12:15 - 12:25	Locational optimisation as a stabiliser in Mobility-hub design. The case for digital optimisation.	Prof Yudai Honma (The University of Tokyo)
12:25 - 12:35	How might we use conversations to create better places?	Mike Saunders (Commonplace)
12:35 - 12:45	The value of geospatial data in platform businesses and the contribution of service design	Shera H Park (RCA)
12:45 - 12:55	SPEAKER QUESTIONS & CONVERSATIONS - led by Dan Phillips	

SESSION 2: COLLABORATIVE DESIGN CHALLENGE WORKSHOPS

15:00 - 17:00 Room 1	THEME 1 What is the future for intelligent neighbourhoods – their shape, constituent parts, networks, governance and size?	Session Host: Dr Jingru (Cyan) Cheng Session Speakers: Noel Hatch, Erica Belcher & Andy Martin
15:00 - 17:00 Room 2	THEME 2 How might we reimagine mobility hubs and networks as centres of community rather than purely functional transport systems?	Session Host: Dr Jiayu Wu Session Speakers: Rob Naybour, Marian Marsh, Richard Dilks & Stephen Barrett
15:00 - 17:00 Room 2	THEME 3 How might digital tools merge technical data with social knowledge to enable better planning for sustainable futures?	Session Host: Dan Phillips Session Speakers: Dr Timea Nochta, Prof Yudia Honma, Dr Shera H. Park & Mike Saunders

SESSION 3: Symposium summary and participant insights

24 June: 3:00pm to 4:00pm Symposium summary and participant insights

15:00 - 15.50	Symposium summary and participant insights <i>The third session will be used as an opportunity for hosts and participants</i>	Host: Prof Dale Harrow Co-Hosts: Dr Cyriel Diels Speakers:
---------------	--	--

Royal College of Art

Postgraduate Art & Design

	<i>to summarise learnings and opportunities from the symposium and to discuss next steps including potential partnerships and interdisciplinary teams.</i>	Dr Jingru (Cyan) Cheng, Dan Phillips, Rob Naybour, Richard Dilks, Erica Belcher, Shera H. Park, Dr Timea Nochta
15.50 - 16:00	Closing remarks	Dr Cyriel Diels
